

The seed orchard song

Mel: *The drunken sailor*

Popularized version of the thesis by Finnvid Prescher

What shall we do with the pine seed orchards?
What shall we do with the pine seed orchards?
What shall we do with the pine seed orchards?
For more growth in forests
Hoorey, the seed is needed
Hoorey, the seed is needed
Hoorey, the seed is needed
For more growth in forests

Make a new after thirty years (3 times)
We need better orchards
Hoorey, the seed is needed (3 times)
We need better orchards

Female fertility is not a key point (3 times)
When establishing seed orchards
Hoorey, the seed is needed (3 times)
When establishing seed orchards

Use some 20, 25 clones (3 times)
Use the best deployment
Hoorey, the seed is needed (3 times)
Use the best deployment

Combine gain and diversity (3 times)
Make the optimal seed crop
Hoorey, the seed is needed (3 times)
Make the optimal seed crop

Pick the cones in younger seed orchards (3 times)
Already when they are 8 years
Hoorey, the seed is needed (3 times)
Already when they are 8 years

Prune the top for cheaper harvest (3 times)
We don't like the trees tall
Hoorey, the seed is needed (3 times)
We don't like the trees tall

Now you know how to manage orchards (3 times)
For more growth in forests
Hoorey, the seed is needed (3 times)
For more growth in forests
